*flex*TIME™

W a t c h e s

**PATENTS PENDING**

FlexTime Watches are the ultimate accessory for Silicone Wristbands, designed to slip on and off any standard sized band, even while wearing them. The watch is totally customizable—pick your own case color, dial design and imprinting. The silicone wristbands are also color matched and printed or embossed with your message.

Manufactured with a high quality Japanese movement and battery.

Number Marks D
Hand Design 4

Number Marks E
Hand Design 5

Pick your number marks and hand design from examples shown above.

You can also completely design your own dial, including number marks. We can also print the entire dial with four-color process images if you need.

Pricing is for up to three imprint colors on dial.

Listed pricing is for bulk packaging, each watch in individual bubble bag.

Stock case colors are Red 485, Blue 293, Yellow 116, Pink 211, Black and White.

Watch hands can also be painted in any PMS color.

Watches can also be packaged with both a large and small sized band to fit any recipient.

FlexTime Watch with Custom Band

Item	500	1,000	2,500	5,000	10,000
